Ms. Barbara LaRocco
Team Leader
South Shore Blueway Trail

Dear Ms. LaRocco,

I am writing to express my strong support for improving the South Shore Blueway Trail, which aims to establish a water trail for paddlers and human-powered boaters along the western bays of the South Shore Estuary Reserve.

Since its inception in 2012, South Shore Blueway Trail has become the premier attraction for people exploring the Hempstead Bays. To date the, South Shore Blueway Trail has collaborated with residents to develop a comprehensive outline for the water trail extending the entire South Shore of Nassau County. It is imperative that we continue to advocate for expanding access to our coastal assets in Long Beach and beyond. I am happy to continue working together to further promote recreational utilization of our waterways.

It is without hesitation that I strongly support the South Shore Blueway Trail.

Sincerely,

A handwritten signature in black ink that reads 'Todd Kaminsky'.
